Contract: Design, Supply, Installation of Package TL-2 400KV Madunaghat-Matarbari Double Circuit Transmission Line on Turnkey basis.

Subject: Work Order for Construction of Pile Foundation work.

Dear Sir,

With reference to above letter and subsequent discussion with you, we are pleased to place the order on you for construction of Pile foundation (Pile and Pile Cap work) in **400kV D/C Madunaghat – Matarbari Transmission Line**. You are initially awarded 10 nos of location. However, the same shall be revised according to the work progress at site.

The terms and conditions shown in Annexure-1 are the integral part of this contract agreement and shall be strictly followed by you. As discussed, you must commence the piling by **2nd week of March '2020**. If you fail to achieve the desired progress as per our requirement, we will cancel part or whole of this order without assigning any reason. You shall familiarize yourself with the proposed route/tower locations to explore the possible routes for supply of construction materials to the site. Minimum 3 no. of rigs at two shot must be mobilized in site according to our plan and program. In addition, our surveyor is in the field to assist you in locating the proposed tower locations.

Please acknowledge and accept the offer in the duplicate copy and return to us for our record.

Thanking you.
